"The two rays denote Blood and Water...These two rays issued from the very depths of My tender mercy when My agonized Heart was opened by a lance on the Cross. These rays shield souls from the wrath of My Father...I desire that the first Sunday after Easter be the Feast of Mercy...whoever approaches the Fount of Life on this day will be granted complete remission of sins and punishment. Mankind will not have peace until it turns with trust to My mercy. ...The soul that will go to Confession and receive Holy Communion (in a state of grace on this day) shall

obtain complete forgiveness of sins and punishment." (299-300, 699) Sr. Faustina Kowalska from Diary

Church Fathers Speak "Patience is sweeter than honey. It is useful to God, and the Lord dwells in it." **Hermas, "The Shepherd of Hermas"**
